About NACD

Empowering directors and transforming boards to be future ready

NACD is the most trusted association for board directors. For more than 45 years, we have helped leaders build successful companies that make a difference in the world.

Our 24,000+ members are leaders who serve on corporate boards. Our trusted resources and dedication to partnering, innovation, and education empower directors and transform boards to stay on the leading edge of corporate governance.

About NACD Northern California

Elevating board and executive leadership through insight, connection, and innovation

The NACD Northern California Chapter serves over 2,500 directors in the community by providing exemplary director programming and opportunities for peer-to-peer learning and interaction. By convening directors and experts to examine leading practices and anticipate developing issues, the chapter helps directors be more effective in the boardroom.

NACD Northern California Partner Value

Premium Brand Visibility: Showcase your firm across marquee events, digital platforms, and high-impact thought leadership.

Exclusive Engagement: Host signature gatherings—roundtables, private dinners, and curated events—designed for relationship-driven conversations.

Positioned Thought Leadership: Contribute insights through featured speaking roles and published content opportunities.

Curated Relationship Building: Access and connect with an influential community of public and private company board directors.

Connect With Our Community

Signature Events

Large in-person events with a keynote speaker/panel on a cutting-edge boardroom topic.

Specialist Events

Host a specific cohort of members for tours, tastings, or behind-the-scenes access.

Private Dinners

Confidential peer-to-peer dinners under Chatham House Rule.

Open Virtual Events

Timely webinars open to all NACD members—great for visibility.

Virtual Coffee Cohorts

Curated virtual group sessions for niche communities or topics.
