EDUCATIONAL PROGRAMS

Directors gather for virtual or in-person interactive conversation to discuss hot-off-the-press board issues to ensure that they stay relevant and up to date. In the Pacific Southwest, our programs often anticipate emerging boardroom trends.

PRIVATE DINNERS

Cutting-edge board topics are the feature of the evening, but friendships are the result. A fun cocktail hour followed by an intimate and engaging dinner conversation keep our curated group of directors asking for more.

NACD Member Experience, Chipotle Development Center

Corporate Director Symposium, Jonathan Club

EXPERIENTIAL EVENTS

The best directors are life-long learners who know what questions they should be asking in the boardroom. They enjoy expanding their networks and building new meaningful relationships. Whether hosting an event on a private yacht, or a classic cocktail hour, directors will find value in the opportunity and experience.

ROUNDTABLES

We curate a smaller group of directors whom you would like to meet and get to know. The quarterly roundtables provide a more intimate setting with directors who share common interests. These are done virtually and in-person to accommodate geography and various schedules. Partnership options to sponsor a roundtable are available.
